A diagram of a building facade. It features a central green rectangular area flanked by two identical grey rectangular units, each labeled 'HAUS 1'. Below these units are two large, semi-circular openings in a dark horizontal band. The entire facade is set against a background of a grid pattern.

A diagram showing a quarter-circle fillet in a corner. The corner is formed by two perpendicular lines, one horizontal and one vertical, both colored brown. A white quarter-circle fillet is applied to the inner corner, with a black outline. The fillet is centered at the vertex of the corner.
