

The diagram illustrates the decomposition of a total length of 1100 units. It consists of three horizontal lines with tick marks at the boundaries of the segments. The top line is labeled with '1100' at the right end. The middle line is labeled with '25' at the left end and '1054' in the middle. The bottom line is labeled with '466', '536.5', '97.5', and '92' from left to right, representing the individual segments.
